SECRETARY'S REPORT: The minutes were read and approved.

TREASURER'S REPORT: No report was given.

NEW BUSINESS:

■ **The club banquet** will be held on January 21. No location has been selected.

■ **Meet the Breed:** President Lindback received an email from the Minneapolis Kennel Club about having a "Meet the Breed" session at the MKC show on November 6 and 7 at Canterbury Downs. It would involve a one-hour time slot each day for someone to talk to the public and to answer questions about the Brittany. Only dogs entered in the show may be used. If anyone is interested in this, contact Larry Mackai (larrymackai@mn.it.com) at 952-881-5080 or contact President Lindback.

■ **Fall Field Trial:** The fall field trial was held at Langhei Hills Hunt Club, Hancock, MN on September 11 & 12. There were 68 dogs entered. The trial made a profit of just over \$129. A fine time was had by all. The grounds were very good.

■ **Hunt Test:** The fall hunt test, scheduled for September 25 & 26 was cancelled due to the small number of entries. The 2005 hunt tests will be held at Kelly Farms on June 18 & 19 and September 17 & 18.

The meeting adjourned at 7:10.

NEXT MEETING: Can you find yourself in this picture of the last meeting? I'll see you at the next meeting on Tuesday Oct. 19th at 6:30 p.m. at my place. This is date was changed from the regularly scheduled 4th Tuesday because several Board members will be hunting out of state on the regular meeting date.

FALL TRIALS

MBC FALL TRIAL: On weekend of the Minnesota Brittany Club fall trial we had a minor accident, which could have been worse. A handler was coming in off of the course while another brace was being broken away. One of the dogs breaking away ran into the horse of the handler coming in, the horse spooked and tossed the rider causing the rider to fracture his arm. This accident may have been avoidable if we had waited a few more minutes for the returning rider to clear the course. We all need to remember that horses are animals and accidents can and usually do happen, so lets all do our part to try to prevent the accidents as much as possible. — Thank you, Steve Ralph
