SUMMER TRAINING

Summer training has come and gone all too quickly, but the turn out this year was great and thanks to all who came to participate. Good luck hunting this fall and don't forget to let your new puppy be a puppy having fun rousting roosters. Chad did some follow up to our first session during week two, in addition to backing, steady to wing/shot, and field commands. Chad demonstrates how to use a half hitch on Vern owned by Mark Dinsmore, pictured below. Turn out was small for the third session and the weather perfect. Cool morning with a light breeze made for excellent conditions. With ample bird supply our dogs saw plenty of action. Next year we plan to have all three sessions one after the other before game fair. Check out Chads web site for more training tips at www.willowcreekkennels.net. Look forward to seeing many of you again for more advanced training next year. Big thanks to Rod Dobby for getting birds/instructing field work, Brian Brazeau, and Denise Kowslowski for ground help.
