- 2012 SCVBC Spring Trial -

The SCVBC Spring Trial was held at the Crow Hassan Park in Rogers, MN May 4-6. The weather conditions varied over the weekend starting with sun and a little rain on Friday to cloudy and rainy conditions the rest of the weekend. A thunderstorm passing through held us up for about an hour on Saturday. The sun came out for a beautiful afternoon on Sunday, but that was after we had brought 114 starters to the line.

NutriSource Premium Pet Foods sponsors our event and provides dog food for the winners and monies for advertising our event. With sincere appreciation we want to thank them for their support. With their help our event is one that continues to run the maximum number of dogs over a 3 day weekend. This year we had 3 Professional Trainers that supported our Trial. Bob Burchett brought a boatload of Brittany's, Matt Eder had several dogs to run and this year Tom Hagan from St Charles, MN joined them with some very competitive dogs. Several members ran dogs in all of the stakes. Jackie Swanson was the only member to have a dog place this year. Members, let's get crackin'!

Every year we can count on Steve Ralph's work as the Chairman to make our event run smoothly. His efforts and attention to detail make my job as the Secretary easier. Our President Bret Lindback and Director Sue Januschka are here from the beginning to the very end of Trial planting birds, Marshalling and doing anything to help things along. John Lindback runs our dog wagon every year and what a good job he does getting the right dogs to the line, filling bird bags and doing anything else that is required. Other members helped out too. Secretary/Treasurer John Chejne, Jackie Swanson and Chuck Vein chipped in as needed. Director Sue Januschka brought out a wonderful cake to celebrate our recent Field Champions. Dog's owned by Sue, Bret Lindback and Steve Ralph. I did the cooking and everybody enjoyed pulled pork on Friday night and smoked turkey with all of the fixings on Saturday night.

The Crow Hassan Park that we use for our grounds offers rolling hills, tree lines, woods, dry and wet ponds, hedgerows and some open running ground for our dogs. There is a camping area available, plenty of parking, stalls for horses and I must mention great people. We can always use an extra hand to make our event one to remember. I invite you to check us out, participate and enjoy our Club's event next year.

- 2012 SCVBC Walking Trial -

The site of our Walking Trial is Four Brooks WMA near Milaca, MN was by many opinions in the best condition ever for our event. It was green, the grass was short and there was some standing water for the dogs to roll around in to keep cool. Oh yeah, it got warm the first weekend in June. But it was manageable. We had in excess of 65 dogs to run in 2 days so we were busy. Thanks to our Secretary Sue Januschka things ran smooth. Dogs were to the line on time and the Judges kept a pace that was comfortable and productive.

Steve Ralph was the Chairman and did all of the paperwork on the front end with the AKC, ABC and MFFTC to hold our event. Along with lining up Judges, reserving birds, getting ribbons, drawing the braces and bringing some water for everybody, Steve made sure the course was planted with birds and whatever else was needed throughout the weekend. Thank you Steve for running some dogs too. As Event Secretary, Sue Januschka is responsible for the weekend, keeping Judges and Handlers happy (impossible) placements, finances and reporting to AKC, ABC, MFFTC and AFTCA at the end of the trial. Thanks Sue for planting birds and running your dogs and bring those awesome rhubarb bars too. As the President of our Club, Bret Lindback takes it upon himself to make our Trial Events as successful as he can. Bret is usually the first guy there and the last guy to leave. Bret will plant birds, guide the Judges, help handlers, keep water tanks full, or whatever is needed. At the Walking Trial, our Sunday also includes a Youth Handling Event. Bret is the driving force behind that and along with Matt Eder runs that event on Sunday afternoon. Whether it is 6 or 15 Youth Handlers it is always an event is rewarding for everyone involved. Other members contributed to the success of the weekend as well. John Chejne, Brian Lange and Jackie Swanson helped with getting the dogs to the line, food or shelter. I did the cooking for the weekend, smoking some pork shoulders for dinner Saturday night. I also provided lunches on Saturday and Sunday. Eileen Gust brought her famous sticky rolls for us on Sunday morning. Awesome!

This year we had handlers from Eastern Wisconsin, Iowa and from as far away as Kansas. We also had handlers that had not participated in a walking trial before. It was great to hear from those folks that the experience that they had at our trial would spur them to continue to pursue this sporting discipline with their dogs. Walking Trials are a great venue for seeing our own dog's skill set. For the independent puppy, that derby dog that can find and point a bird and the finished gun dog that is steady to wing and shot with the mindset to honor another dog's work, an exceptional gun dog. Would you like to know how your dog can do? Our next Walking Trial will be the first weekend in June 2013.

- Member News -

SCVBC members do many things with their beloved dogs. Here are some of their accomplishments from this past spring.

Member **Sue Januschka** finished her dog Skye as an Amateur Field Champion with a 1st place in the Amateur Gun Dog Stake at the Badger Brittany Club Spring Trial. Skye had 2 pheasant finds and a back during her brace. Skye was already a Field Champion, so congratulations to **FC/AFC Jay Hawk's October Skye!**

Sue's other dog **Joker's Trail Blazin Bud-Dee** place 2nd in the AGD at the Hawkeye Brittany Club Spring Trial. There were 20 starters and all of them were Brittany's.

Member **Denise Koslowski's** dog Suzie won the Amateur Gun Dog retrieving stake at the German Shorthair Pointing Club's Spring Trial. Suzie's win was worth 4 points, but she only needed one to finish here for her Amateur Field Champion title and Field Champion title. Congratulations go to **FC/AFC Daisy Duke's Suzie Q!**

TR Vigueur de L'Escarbot NA Pz1, MH (Elsie) owned by members **Doug Lodermeier Sr. & Christene Martatos** has added the of UKC Trialer to here list of hunt test and trial titles. Elsie's placement in Coon Rapids, IA this spring in the Open Class finished this latest title. Elsie is a SCVBC Hall of Fame member and her achievements include; NAVHDA NA Pz1, AKC JH, SH and MH and now AKC Trialer. She is currently training for her NAVHDA Utility Test scheduled for later this year. Doug says that Elsie is a hunting dog first, but enjoys testing and trialing to keep sharp and in shape. She has never met a bird she didn't like (to point!).

Member **Bruce Olsen** finished his dog **Ranger** with his Junior Hunt Test Title at the Spring German Shorthair Pointing Club Hunt Test in May. Ranger accomplished this title with just 4 tests.

Member **Bret Lindback's** dog **FC Shady Way Red Tail Hawk** took 1st at the Lone Star Open All Age stake in Texas this spring with pro Jim John.

Member **Brian Salo's** dog **Tilly** finished her JH Title and the GSP Hunt Test in May. The Hunt Test was held at the Kelly Farm in St Croix, MN.

Member **Steve Ralph's** dog **FC Joker's Jackpot** has been on quite a run. In April Jack finished 1st in the Amateur All Age stake with 21 starters and then finished 4th in the Open All Age stake with 40 starters. The Trial was held in Thayer, IA and Jack now qualifies for the 2012 National Open & Amateur All-Age Championships. Then to top it off Jack won the Mid-America Championship (with 40 dogs) at Branched Oak, NE, handled by professional trainer Jim John and scouted by Steve. Congratulations!

Steve's new puppy **Dakota Outlaw** is also off to a good start this spring, placing 1st in the Midwest & Mo-Valley Open Puppy stakes.

Jackie Swanson has been busy this spring. She has been campaigning 2 dogs on the Field Trial circuit. She handled her pup **Bubba** to a 4th place finish at our SCVBC Spring Trial. There were 14 starters in this stake. Jackie also has a promising dog with Matt Eder this spring. **Yoda** finished 3rd in the Open Gun Dog stake at the Minnesota Brittany Club Field Trial with 30 starters and Yoda finished 4th in the Open Gun Dog stake at the Irish Setter Club of Milwaukee Spring Trial held at Eagle, WI. There were 20 starters.

Member **John Chejne** had a good spring with his dog **McChesney's Tequila River**, as "Rio" took 3rd in Open Gun Dog & 4th in Amateur Gun Dog at the Hawkeye trial and then 4th in Open Limited Gun Dog & 2nd in Amateur Gun Dog at the Minnesota trial. Congratulations!

Member **Brian Lange** took 3rd place at the St. Croix Valley walking trial with **FC/AFC Stars Sassy Natasha Kay**. Good job Brian!

I know that the above mentioned items are only a few of the accomplishments for members and their dogs this past spring. There were other wins and titles I'm sure. For as many placements mentioned, there were braces run, weekends with friends, good weather and bad. We were out there putting our dogs to the test, bringing out their best and findings skills to work on too. Field Champions, Dual Champions, Master Hunters, NAVHDA titles are some goals for our dogs to shoot for. It is these exceptional dogs that attain those titles that our future puppies come from. Congratulations to our members that pursue these disciplines of training to enhance the breeds of dogs we love.
